

# The LOOK OF 2010

## Shift to Huge Earrings

Heavy wooden earrings exemplified the trend for things tribal and African-inspired.

Glossy, sexy scarlett lips for added voom.

Sparkly paillettes were in the spirit of the season's brave mix.

Find out what the **RECESSIONISTA LOOK** is all about

Just when you think it's an LBD, a swath of color adds intrigue.

The thigh-grazing mini: Jacobs set the bar short and sassy.
